THIS MODULE DEALS WITH THE FOLLOWING NQ UNIT STANDARD:

UNIT CODE	UNIT TITLE	LEVEL	CREDITS
	Use computer technology to research a computer topic		

THE PURPOSE OF THIS ASSESSMENT INSTRUMENT IS TO PROVIDE EVIDENCE THAT THE LEARNER CAN DO THE FOLLOWING:

Instructions to the Assessor:
Step1: Ensure that the learner details are filled in correctly and completely in the Learner Detail section. For info: The original learner contract will remain in the learners main admin file until all assessments are completed.
Step 2: Ensure that the learner signs the Request for Assessment form before assessment takes place.
Step 3: Copies of unit standards are not required to be part of the assessment guide and instruments and can be found in the Unit Standards files found in the Project Managers office if necessary.
Step 4: Ensure that the Initial Briefing Checklist is completed and signed prior to starting the assessment
Step 5: After assessment, give feedback to the learner using the "Feedback Burger" steps. Feedback must be recorded in feedback section at back of assessment instrument.
Step 6: Plan and then record next steps with learner.
Step 7: Both learner & assessor to complete assessment evaluation/review report
Step 8: Assessor to ensure that all summary report and documentation completed and in order for moderation

APPEALS PROCEDURE

1. A learner has the right to appeal under the following circumstances
    - If the laid down assessment procedures were not followed during assessments
    - If not all evidence available was taken into account during the assessment

- The assessor was not a subject matter expert or did not have a subject matter expert during the assessment process
- The assessor did not assess according to the performance criteria and range statement stipulated in the unit standard
- Not all the range items were available for assessment

2. A learner bringing an appeal against a decision of the assessment will lodge such an appeal with the assessor and the internal moderator within 2 days of the assessment feedback session.
3. A learner bringing an appeal should complete the "Learner's Notice of Assessment Appeal "form before the Appeal Hearing. The form should be handed to the internal moderator or a representative of the SETA.
4. Should the internal moderator re-affirm the assessor' decision, the learner may appeal to the external verifier within 2 days after the initial moderator's feedback session. The external verifier's decision will be final. Should the external verifier re-affirm the assessors' decision, the cost for re-evaluation will be upon the learner. Should the verifier's decision differ from the assessor's decision, the cost for re-evaluation will be borne by the assessor?

Integrated Summative Assessment Tool

Two assessment tools are provided in this step, being:

1. **Practical Assessment Tool**
2. **Attitudes and Attributes Assessment Tool**

1. Practical Assessment Tool

All the sections of this document must be completed and signed where appropriate by the learner and the assessor.

- The learner must be given appropriate feedback and told whether they were declared competent or not yet competent. The assessor must record the appropriate commentary and guide the learner with detailed action plans for areas where the learner is found not yet competent.
- In line with the policies and procedures, the assessor must offer learners an opportunity for feedback on the assessment as well as an opportunity to appeal against the declaration.
- Should learners be found not yet competent, a detailed action plan with specific commentary on development must be drafted together with the learner and the facilitator in order to develop the necessary competence. A date for re-assessment must be agreed upon with the learner.
- All the evidence must be signed and copied, if necessary, to be placed in the learner's portfolio of evidence.
- Use this checklist to help collect evidence of practical competence as prescribed by the specific outcomes of the unit standards.
- Ask the questions as listed in order to test foundational and reflexive competence relevant to the specific task.
- Ensure that the exact same methodology is applies for each learner in order to ensure that VACSprinciples are adhered to.
- The benchmark for learner competence in this tool is 85% in EVERY task.
- This assessment tool can only be used for learner assessment by a suitably qualified and registered assessor who is ALSO a subject matter expert in this specific field.
- If no such a person can be found to assess the learner, then it is advised that a qualified assessor consults with the appropriate subject matter expert prior to the physical assessment in order to establish key points for observation. The subject matter expert should attend the assessment in order to judge competence of the learner.

The assessor to complete the following:

Remember to cover all range items!!!!!!.Assessor to write observations or make clear references to evidence attached in the spaces provided.

Practical Tasks	**Task Type**	**Date Completed**	**Comments and initials of observer**
Task No. 1	Use computer technology to research a computer topic		
Task No. 2	Plan the research of a computer topic.		

Task No. 3	Conduct research of a computer topic using computer technology		
Task No 4	Present the results of research of a computer topic using computer technology		

FOR ASSESSOR

File Checked:

Date	Assessor Signature

This is to verify that the learner has completed all the above and has achieved competence.

2. Attitudes and Attributes Assessment Tool

Unit standard Title					
Learner's Name		ID		NLRD No	
Assessor's Name		Co			

- Use this rating scale to judge the learner's CCFO competence according to the unit standard.
- The learner's entire performance and all the stages of learning, as well as all gathered evidence must be considered for this section.

- It is advised that the assessor consult with facilitators, mentors, coaches and supervisors in order to ensure that an objective rating is allocated.
- A rating between 1 and 5 should be given, as follows:

Rating	Description
1	No evidence can be found
2	The evidence found is weak and this is still a major development area for the
3	The evidence found meets the average expectation for a learner on this level
4	The evidence found is of a high quality and exceeds the average standard
5	The evidence found is outstanding and the learner attitudes and traits are very well developed

- Leaner must be given constructive feedback on each rating.
- Ensure that you apply the exact same methodology for each learner in order to ensure that VACS principles are adhered to.
- The benchmark for learner competence in this tool is 3:5 in EVERY CCFO.
- At the end of this step, an assessment feedback form is provided which must be completed and signed by the assessor, learner and moderator, where applicable.

Attitudes and Attributes Assessment Tool	
Use the following rating table ABOVE in this assessment:	
CCFO Criteria	**Rating**
Identifying – The learner can identify problems and deficiencies correctly.	
Working in a Team – The learner is able to work well as member of a team.	
Organising – The learner works in an organised and systematic way whilst performing all tasks and tests.	
Collecting – The learner is able to collect the correct and appropriate information and samples as per the instructions and procedures that he or she was taught.	

Communicating – The learner is able to communicate his or her knowledge orally and in writing, in a way that shows what knowledge he or she has gained.	
Science – The learner bases tasks and answers on scientific knowledge learnt in the module.	
Demonstrating – The learner is able to show and perform the tasks required correctly.	
Contributing – The learner is able to link the knowledge, skills and attitudes that he or she has acquired in this module of learning to specific duties in their job or in the community where he or she lives.
